

Bihar Class 12 Geography Solution 2024 Set E

Ques 1. In which of the following countries were Girmitia labourers brought ?

- (A) Surinam
- (B) Fiji
- (C) Mauritius
- (D) All of these

Ans. D

Solu. During the British colonial era, girmitiya laborers, also known as indentured laborers, were transported from India to various locations, including Surinam, Fiji, and Mauritius, to work on plantations.

Ques 2. Which state has the highest density of population?

- (A) West Bengal
- (B) Bihar
- (C) Kerala
- (D) Punjab

Ans. B

Solu. With a high population density per square kilometer in India, Bihar is the state with the greatest population density.

Ques 3. Patrick Geddes is related to

- (A) Conurbation
- (B) Megalopolis
- (C) Village
- (D) None of these

Ans. A

Solu. The term "conurbation," which describes an extended urban area that usually consists of multiple towns combining with the suburbs of one or more cities, was first used by pioneering town planner Patrick Geddes.

Ques 4. Which of the following states has the highest literacy rate ?

- (A) Gujarat**
- (B) Kerala**
- (C) Tamil Nadu**
- (D) West Bengal**

Ans. B

Solu. Kerala routinely ranks best in India with the greatest rate of literacy.

Ques 5. Which of the following is an educational town?

- (A) Ajmer**
- (B) Srinagar**
- (C) Roorkee**
- (D) Imphal**

Ans. C

Solu. The Indian Institute of Technology (IIT Roorkee), one of the nation's oldest and most esteemed engineering schools, is the reason for the town's notoriety.

Ques 6. Which of the following is the leading state in Soybean production ?

- (A) Madhya Pradesh**
- (B) Uttar Pradesh**

- (C) Goa
- (D) Bihar

Ans. A

Solu. Known as the "Soybean State" of India, Madhya Pradesh is the state that produces the most soybeans in the nation.

Ques 7. Which is the leading state in tea production?

- (A) Gujarat
- (B) Bihar
- (C) Assam
- (D) Sikkim

Ans. C

Solu. The largest state in India that produces tea is Assam, which is renowned for its unusually strong and malty tea.

Ques 8. Which of the following is not a subfield of Economic Geography?

- (A) Geography of agriculture
- (B) Industrial geography
- (C) Geography of tourism
- (D) Military geography

Ans. D

Solu. Political geography, not economic geography, is the subfield that includes military geography. The location, distribution, and spatial structure of economic activity are the subjects of economic geography.

Ques 9. Which country ranks first in the Human Development Index?

- (A) Norway**
- (B) Canada**
- (C) India**
- (D) China**

Ans. A

Solu. Norway's excellent standard of living, long life expectancy, high income levels, and education all contribute to its consistent top ranking in the Human Development Index (HDI).

Ques 10. Which one of the following is not a secondary activity?

- (A) Hunting**
- (B) Manufacturing**
- (C) Processing**
- (D) Cottage industry**

Ans. A

Solu. Since hunting entails the direct exploitation of natural resources, it is a primary activity. The other choices are secondary pursuits, such as manufacturing and processing.

Ques 11. Truck farming is associated with

- (A) Flowers**
- (B) Vegetables**
- (C) Rice**
- (D) Wheat**

Ans. B

Solu. The term "truck farming" describes the relatively large-scale commercial production of fruits, vegetables, and flowers, with the harvest being delivered to markets via trucks.

Ques 12. What do you mean by prairies?

- (A) Grassland**
- (B) Forest**
- (C) Desert**
- (D) None of these**

Ans. A

Solu. Large, flat, or slightly rolling grasslands are called prairies, and they are primarily found in North America. Their rich soil, which is frequently utilized for farming, is what makes them unique.

Ques 13. Which of the following is not a mineral-based industry?

- (A) Copper industry**
- (B) Cement industry**
- (C) Iron and Steel industry**
- (D) Cotton textile industry**

Ans. D

Solu. Because it depends more on cotton, an agricultural product, than on minerals, the cotton textile business is an agro-based industry rather than a mineral-based one.

Ques 14. Iron and Steel industry is

- (A) Basic industry**

- (B) Footloose industry**
- (C) Cottage industry**
- (D) Small scale industry**

Ans. A

Solu. Because it provides the framework for industrial development and is necessary for the creation of goods and infrastructure, the iron and steel sector is regarded as a basic industry.

Ques 15. When was Environment Protection Act implemented ?

- (A) 1986**
- (B) 1988**
- (C) 1992**
- (D) 1995**

Ans. A

Solu. In India, the Environment Protection Act came into effect in 1986. It offers a structure for enhancing and safeguarding the environment.
