Karunya offers exceptional facilities to all residents on its campus. They make the most of these facilities and eagerly engage in activities, cultivating a vibrant and dynamic residential life.

Comfortable Residences

The university features 15 spacious, well-designed residential blocks spread across 70 acres, accommodating over 8,000 students. These residences offer a variety of room options, including single, double, triple, and four-bedded rooms, available in both A/C and non-A/C configurations, tailored to meet the diverse preferences of students.

Culinary Delights

Dining at Karunya is a feast for the senses. The residences feature 16 spacious dining halls serving a wide range of nutritious and flavorful meals. Students can relish both vegetarian and non-vegetarian options from North Indian, South Indian, Andhra, and Kerala cuisines, along with international delicacies. Each meal is prepared using an advanced steam cooking facility, ensuring the highest standards of hygiene and quality.

Modern Amenities for Everyday Living

The residences are equipped with state-of-the-art facilities to enhance the quality of life on campus. Students benefit from 24/7 power supply, access to pure drinking water, and solar water heaters. Multi-storied blocks are outfitted with lifts, and entertainment needs are met through centralized cable television and multilingual newspapers. Other amenities include clean and modern sanitation, utility stores, beauty salons, chapels, laundry services, canteens, fitness gyms, ATMs, and a well-stocked supermarket. High-speed Wi-Fi ensures seamless connectivity, while the campus's hot kitchens bring a touch of home-cooked comfort to daily meals.

Welcoming Guest House

Visiting parents and guests are thoughtfully accommodated in a fully furnished guest house on campus. A range of A/C and non-A/C rooms provides a comfortable and relaxing stay for families and visitors from all walks of life.

Prioritizing Safety and Well-Being

Safety is paramount at Karunya. Comprehensive measures are in place to ensure the well-being of students and faculty, with treated drinking water and hot water provided throughout the campus. The serene and secure environment fosters peace of mind, allowing students to focus on their studies and personal development.

Earn While You Learn: Industry-Integrated Learning at Karunya

Karunya students gain hands-on industry experience by working with leading MNCs while pursuing their studies. These opportunities come with the added benefit of earning a salary, seamlessly integrated into the academic curriculum

“I'm Aburaja, a 3rd-year B.Tech Data Science and Cyber Security student, working as a Software Developer at Nustartz after my classes every day. This role has allowed me to work on diverse projects, sharpen my front-end and back-end development skills, and collaborate with a dynamic team. It's been a fulfilling experience that has deepened my passion for software development.”

“I'm Kevin J, a Software Developer at NuStartz, where I've gained hands-on experience delivering real client solutions in full-stack development. As a Team Lead, I've strengthened my leadership skills by guiding a dynamic team, managing deadlines, and ensuring successful project execution.”
