We offer management education that provides global perspectives in

MESSAGE FROM CHANCELLOR

I take pride in stating for the past quarter of a century, students at VITBS have benefited from some of the most cutting-edge education in Business Studies available anywhere. Our MBA programme takes a hands-on approach to education, combining theoretical concepts with real-world scenarios. Graduates of the Master of Business Administration programme at VITBS receive an education that is both challenging and relevant to the business world, and they are equipped to take on leadership roles in the global economy. VITBS's curriculum has expanded in breadth and depth, and it now accommodates analytical minds that are open to new ideas. Our MBA students are taught to ask thoughtful questions while being guided by the principles and beliefs of the company. The MBA programme offers state-of-the-art resources, expert faculty, and a dynamic learning environment. Through International study and instruction from renowned Professors with deep knowledge in their industries, you'll get a 360-degree view of the business world in just 24 months. Foreign exchange opportunities and study at renowned Universities are available in tandem with this programme. I see our VITBS alumnae as among the most intellectually curious, creative, and inventive persons who have been positioned as Business Leaders with well-known corporations, corporate houses, and famous universities worldwide. Many of them are also successful business owners.

I encourage you to apply for the programme and wish you the best!

-Dr. G Viswanathan,
Chancellor, VIT

VOICE OF THE ALUMNI

ATANDRA SAURAV BHOWAL
Senior Vice President & Regional Head Sales & Distribution (East), Reliance Jio Infocomm Ltd., Kolkatta

I am very thankful to VIT for giving me what I deserved. My Professors were very kind to students and played an important role in my grooming and making me a self-made person. I would like to give all the credit to this institute for what I am today. The Projects and Industrial Visits were truly a great

MANI MOGILI
Finance Manager (Finance, Commissions and Analytics)
Sysdig Inc, San Francisco

I've had the privilege of witnessing first hand the exceptional coursework and the transformative power VITBS offered me during my 2023-24 integrated MBA program. The coursework went far beyond the boundaries of conventional education. A diverse and inclusive environment to explore, grow, interacting with students from around the world broadened my perspective and taught me the importance of cultural sensitivity and collaboration. These are skills that extend far beyond the classroom and are essential in today's interconnected world and that exposure helped me to succeed in my master's program in the USA as well as in my corporate life at Silicon Valley.
