

CUET PG 2025 MBA Memory based Question Paper With Solution

1. What is the minimum age to become the Prime Minister?

Answer:

The minimum age required to become the Prime Minister of India is **25 years**. This is because the Prime Minister must be a Member of the Lok Sabha, and the minimum age to be elected as a Member of Parliament in the Lok Sabha is 25 years. Thus, the minimum age to become the Prime Minister is also 25 years, as prescribed by the Indian Constitution under Article 84.

Quick Tip

The Prime Minister is typically the leader of the majority party in the Lok Sabha and is appointed by the President of India.

2. Where is the headquarters of ISRO?

Answer:

The headquarters of the Indian Space Research Organisation (ISRO) is located in **Bengaluru, Karnataka**, India. ISRO is the space agency of the Government of India, responsible for space research and exploration.

Quick Tip

ISRO has made significant advancements in space exploration, including the successful Mars Orbiter Mission (Mangalyaan).

3. Who is the author of the Mahabharata?

Answer:

The **Mahabharata** was written by the ancient Indian sage **Vyasa**, also known as Vedavyasa. He is credited with composing this epic, which is one of the longest and most significant texts in world literature.

Quick Tip

Vyasa is also known for compiling the Vedas and for his role in the development of the Hindu scriptures.

4. Who was the 51st Chief Justice of India (CJI)?

Answer:

The 51st Chief Justice of India was **Justice Ranjan Gogoi**. He served as CJI from 3 October 2018 to 17 November 2019.

Quick Tip
