Study Circles

The Professional Boosters

Creation of study group is a great way to increase the capacity for learning. Student use a variety of distinct approaches to understand concepts more effectively and practically. Effective study circles promote harmony, avoid procrastination, develop new study habits and help each other in improving their ability to work in a team.

The activities comprise of :

- Debate & Group Discussion
- Quiz & Management Games
- Book - Review & Creative Writing
- Business Plan Development
- Round Table Discussion
- Research-Paper Review
- Ad-Play & Role-Play

Forums

The Knowledge Boosters

Clubbed with the traditional education, specialized forums are formed for the final year students to give a 'Touch Up' to the excellence of budding managers. Different forums are organized on monthly basis to enhance various skills of the students of our college. Forum activities make the students aware of various ways of keeping a steady supply of talents and management with good governance.

The Specialized Forums are :

- Marketing Forum
- Information Technology Forum
- Human Resource Forum
- Finance Forum
- International Business Forum
- Business Analytics Forum

Pacific Learning Clubs

An Innovative Idea to Rejuvenate

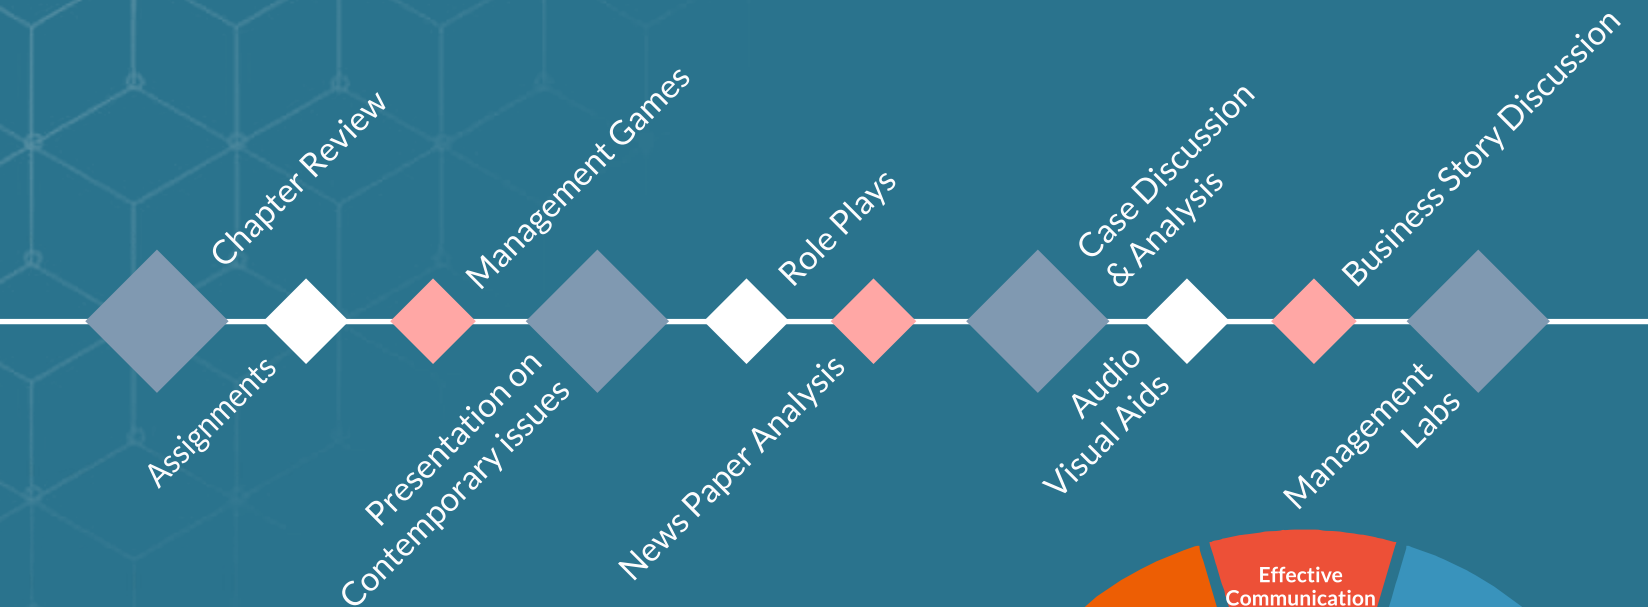

Hobby clubs are an essential part of the learning process in management institutes. They give additional roles and responsibilities to organise grand cultural and business events which help students to learn intricacies of Management.

- Eco - Sensitivity Club
- Photography Club
- Cookery Club
- Poetry Club
- Adventure Club
- Painting Club
- Dance Club
- Music Club
- Creativity Club
- Drama Club
- Literary Club
- Philanthropy Club

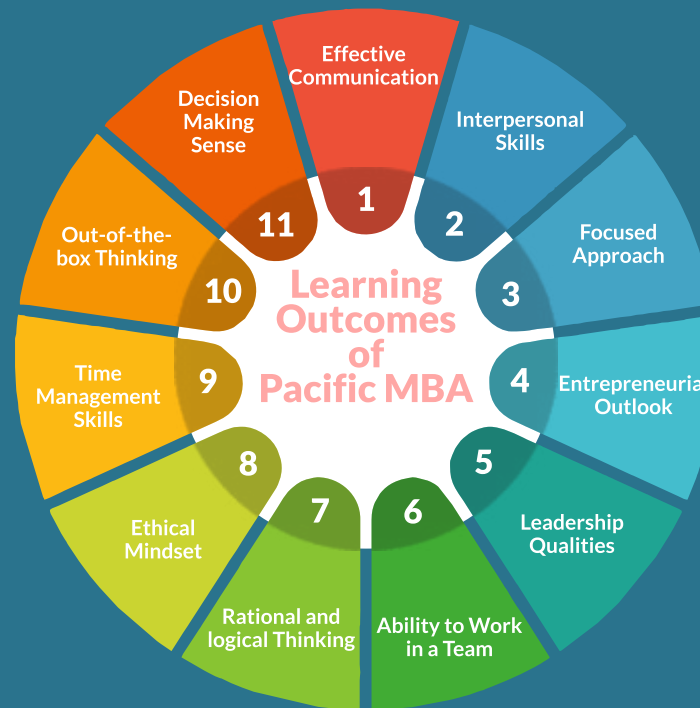

Student Development Programs for 360° Progression

The Gamut of Teaching Methods

EVERY STUDENT GETS THE OPPORTUNITY OF FOLLOWING ACTIVITIES IN EACH SEMESTER

- | | | |
|---------------------------|------------------------|-------------------------------------|
| Personal Mentoring | Industry reviews | Employability Enhancement Program |
| Extension Lectures | Survey Projects | Simulation Games |
| Study Circle | Panel Discussion | Scenario Building |
| Workshops and Seminars | Management Quiz | Industry Specific Skill Development |
| Business Plan Development | Live Research Projects | Book Review |
| Certification Program | Corporate Interface | Communication Labs |

Industrial Visits

To develop the academia-industry interface the students of MBA Program get an opportunity to visit various industries where they interact with actual industry personnel which make them aware of the operational procedures of a corporate. The students experience the working environment in industry and visualize all the important departments which help them to develop a deeper understanding towards the theory taught in the classes and subsequently help in decision of career goals and progression on the career path.
