Provisional Merit List

A provisional merit list of various minor courses i.e. Artificial Intelligence and Machine Learning (AIML),Robotics, Electrical Vehicle, Green Technology and Sustainability Engineering and Forensic Structural Engineering is attached herewith.

All the Courses (except for Forensic Structural Engineering) are having **60 + 6** admission seats which is bifurcated as **30 (Regular) + 3 (D2D)** for **Parent** branch and **30 (Regular) + 3 (D2D)** for **Other** branches. For Forensic Structural Engineering, admission seats are **15 (Regular) + 2 (D2D)** for **Parent** branch and **15 (Regular) + 1 (D2D)** for **Other** branches

Provisional list is based on responses received from the students. **This provisional merit list does not ensure the admission of students in respective degree programs. Final seat allocation will be based on the intake of each course.**

Provisional Merit is displayed as per CPI of 2nd Semester for Regular Students and DDCET score for Diploma Students. Wherever, there are the same CPI, to break the tie, students who have higher 2nd sem SPI/1st Sem SPI are given consideration.

If any **discrepancy** is found by student in the provisional merit then he/she has to meet **Prof. Payal J. Prajapati (venue: Lab-10 Computer Engineering Dept.) / Prof. Nikita Ambegaonkar (venue: 705 H, Chemical Engineering Dept.)** with original documents by **09/01/2025 by 1:00 pm**.

Provisional **seat allotment** will be published on **10/01/2025** on LDCE website.
